

Covid-19 Guidelines **2020/2021**

The novel coronavirus (“Covid-19”) has been declared a worldwide pandemic by the World Health Organization. **COVID-19 is extremely contagious** and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

We would like you to know that we have put these measures in place to keep your child(ren) and our staff safe for parish gathered events:

- We are practicing social distancing on the parish property, ie, church Parish Center Hall
- All areas are sanitized before and after each session.
- We ask that everyone in the classroom wear a mask.
- Hand sanitizer will be made available.
- Should a child/teen goes to the restroom, they will be reminded to wash their hands with soap and water.
- Should snacks be served, they will be individually packaged.

If your child(ren) exhibit any the following symptoms we ask that you please refrain from sending them to any activity:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Headache
- New loss of smell or taste
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

We are following the guidelines set by our county health department. If you need further information please visit their website: <https://county.pueblo.org/public-health/covid-19>
