Do you have any special need/information we need to know?

I understand that being a minister is an important volunteer position. I am able to be at the church at least 15 minutes prior to my scheduled mass time. I will gladly find a replacement for my time spot if I am not able to make it to mass, or I will call the office to notify ahead of time. I know that the schedules can be emailed to me or that I can pick up a hard copy in the church and at the office.
